Chaseburg, WI 54621

Propane and Fuel Oil Customers,

Chaseburg Farmers Union Service hours are 7:30 am to 4:30 pm Monday thru Friday. Any calls for same day delivery will be charged a \$80.00 short notice charge. Must have an account with the Co-op and keep it current (all routine delivery customers that fall behind on their monthly statement will be taken off the routine and be on a C.O.D. Basis). Deliveries after hours will be charged a \$190.00 delivery charge in addition to the fuel charge. If renting and you are behind in paying your monthly statement your landlord will be notified of this situation, as you will be put on a cash basis until your bill is paid.

Price per gallon charges are as follows:

**200** gallons to a **fill** = normal board price

**100** gallons to **200** = \$.25 over board price / unless it fills tank

**100 GALLONS MINIMUM DELIVERY**

(When ordering LP or Fuel Oil and you request so many gallons and it fills the tank it will be considered a fill and you will get board price).

If you don't set up an account with the Co-op you will not be allowed to charge, and all deliveries will be C.O.D. (cash, good checks or credit card must be given to driver or received at the Co-op office prior to the driver dispensing any fuel. If no one is home the 1<sup>st</sup> time and the driver must return a 2<sup>nd</sup> time, we will also add on a \$120.00 trip charge to that delivery. Fuel Oil delivery drivers will not bleed lines to the furnace.

**Service call charges to leak test system (LP Gas):**

Business Hours -\$85.00/min. charge plus time and materials

After hours - \$125.00/min. charge plus time and materials

We also offer a summer fill that the customer can participate. It is the board price minus \$.05 for the fill and another \$.10 when paid within 5 days with cash or check, no discount is given when paid with a debit or credit card. Prepay is a **minimum** of 300 gallons or more nothing under 300 gallons and you will be put on routine delivery. Any money left over at the end of the prepay season will be applied to your monthly statement after the heating season is done at the end of March.
